RUMURUTI FIRE STATION

AGENDA

1. Introduction
2. Feedback from the previous Citizen Fora
3. Departmental heads reports
4. Plenary

1. Introduction

The meeting was called to order at 10.00 am with a word of prayer conducted by a religious leader. This was followed by a round of introduction starting with County Government officers and then followed by the other community stakeholders present.

2. Feedback from the previous meeting

- Previous Fora resolutions be shared to the public in future Fora
 - This has been implemented in today's meeting.
- There is need for Youth groups empowerment e.g. friends of environment
 - This is happening through donor funded programs.
- Citizens be allowed to build houses according to their level of income
 - Established laws on construction must be enforced.
- Allocate land to squatters and the landless.
 - The Government is committed to fulfilling the above promise.
- Revert electricity line back to Kandutura
 - A National Government project on implementation of Kandutura electrification program is at the final preparation stages.
- Install security lights in all insecurity prone areas.
 - This will be implemented in phases due to cost implication.

3. Departmental heads reports

a. Infrastructural Development

- Ngomongo bridge construction is now complete.
- The Municipal Board approved the drafting of Rumuruti comprehensive survey plan up to the final approval level by the National Director of Survey.
- Construction of Kandutura road culverts will kick off once the procurement process is completed.
- Grading of African location roads will be undertaken using the leased County Government machines.
